DIASPORA INVESTMENT MECHANISMS

Nina Matiashvili

Chief Adviser

Office of the State Minister of Georgia on Diaspora Issues

NOTES FROM THE STATE MINISTER:

The Office of the State Minister on Diaspora Issues constantly strives to support Georgians living abroad by helping alleviate their hardships and offering contemporary innovative mechanisms to that effect. The following document provides a clear description of relevant details about diaspora entrepreneurship, international monetary remittances, investment instruments and other innovative systems of financial inclusion.

By learning about these details, Georgians living abroad will be able to broaden their experience and enrich their vision about progressive and innovative diaspora instruments that currently exist internationally.

I would like to thank the author of this important book, Ms. Nina Matiashvili for her work, as well as all organizations and individuals who helped publish it.

Gela Dumbadze

State Minister of Georgia on Diaspora Issues
